Um, sure.

Even though  
there were some  
situations that  
made me uneasy  
after that.

Am I  
blatant?  
I couldn't  
hold in  
my heart.

But as  
time passed,  
this incident  
gradually  
became an  
urban legend.

HELLO,  
BLACK?

Am I  
too  
obvious?

Yes?

There's an  
open area  
nearby, so  
I want to  
put some  
fortune--

What do  
you do  
at home  
today?

WHEN I HEARD  
OF THIS... I WAS...

YES,  
I DON'T  
WANT YOUR  
CHOICE

YOU WANT IT?  
THEN I'LL SHOW  
YOU WHAT MY  
CHOICE IS!

!

WOW

...HISUPOU

YOU'RE THE ONE...

Uncon-  
sciously...

IT'S FINE  
I WANT IT...

TEAR  
I WON'T BE ABLE TO  
STOP ONCE I START  
IN THAT DIRECTION...

After know-  
ing that both  
of us feel the  
same way...

I embraced  
him...

Saying that  
he's willing to  
give his every-  
thing to me,  
he's just too  
cute...

I'LL GIVE UP  
EVERYTHING TO  
PROTECT YOU...

TO ME...

!!

I CAN'T  
RESIST  
ANYMORE!  
I LOVE  
YOU,  
HARRY!!!

Love

Love

Love

Love

Creak

This voice,  
hair, skin

... and tem-  
perature...  
All of you...

I want you  
for myself

*Creak*

I won't hand you  
over to anyone  
else and I won't  
allow anyone to  
touch you either

*Creak*

SAS  
SHOCK-  
24

Ever since  
I've realized  
my feelings  
for him,

I LOVE  
YOU

my love for  
him gradually  
became  
stronger.

IT WAS DIFFICULT  
FIGURING OUT THAT I  
WAS NOT AN  
OVER-REACTOR.

SO CLOSE

Unconsciously  
my love for him  
has become so  
deep...

Quietly  
supporting me...  
Licking me uncon-  
sciously, forest  
my identity is a  
Bunny Reporter...

Ever since we  
met, no matter  
what, he'll always  
be by my side...

Don't be  
scared

WELL

PLEASE

YOU'RE  
ALREADY THE  
MOST IMPOR-  
TANT PERSON  
IN MY HEART

OH YES  
YES I  
UNDERSTAND  
IT

RAKUYOU...

THIS FIELD  
LIES IN  
DANGER.

ONE'S  
MINDSET OF  
THE FLEETING

AND OF COURSE  
YOU CAN USE  
THIS HEAVEN.

YOU'VE LIVED  
A HARD LIFE IN  
THE PAST.

BEFORE,  
IT'S DECIDED

THEY WANT  
A COLD  
DEATH

TOGETHER...

WITH ME...

Chao!

I love  
Shoujima,  
the most!

**POUNCE**

WOW...

THE END

This is the  
first manga  
I've published  
with Tokuma  
Shoten!

I truly thank  
you for buying  
this volume of  
"Hakayuu Ayaishi  
Monogatari!"

Since I've always liked the Tasuki Eri, romance stories and the stuff about yaozou, I held  
onto this kind of happiness the whole way from start to finish as I drew the manga.

Being able to include cohabitation and a long-haired character in the  
manga has made me very happy, it was truly a blessing!

Even after this, these two will have lots of happy  
days together! They'll take baths together, and  
Hakayuu is still working hard to learn how to make  
food for his beloved Shougi!

They'll go through life as newlyweds, to put it bluntly.  
Hopefully Hakayuu, who experienced a lot of painful  
things, will be able to lead a peaceful and happy life  
from here on forth. Not I, but these two, they both  
find happiness!

Well then! Thank you to  
you readers who always  
supported us to this ♡  
I hope we'll get a chance  
to meet again soon. ♡

A special thanks  
to those who  
bought this book!

I could think you don't  
really care, but I was  
happy to know my story  
was already being read!  
Thank you for reading!

THANK YOU FOR  
READING!
